

Display, Participation & Rights, Reproduction Agreement for the Crushed Ivory Design Challenge

The undersigned Artist, who has prepared and submitted an original design to the Crushed Ivory Design Challenge (Challenge) of the U.S. Fish & Wildlife Service (FWS), agrees to the following conditions concerning display, participation and reproduction rights:

1. The Artist affirms that his/her entry is a drawing of his/her own creation produced without violation of copyright or intellectual property rights, and was neither copied nor duplicated from previously published art, photography or design work of any medium, or from images of any kind previously published on the Internet.
2. Upon submission, all original designs become the property of FWS.
3. Entries will not be returned to the Artist.
4. The Artist hereby waives any claims for damage or loss that might otherwise lie against the United States Government once my entry is in the custody of the managements of those exhibitions.
5. Any original design entry may be copied and reproduced without alteration, and copies and reproductions may be published and distributed by FWS to others for reproduction, copying, production, and publication for educational or informational purposes. In addition, the winning design may be made available, without compensation to the Artist, for reproduction for commercial and other purposes.
6. If the Artist and/or his/her publisher wish to reproduce the original artwork in any form, they must first receive explicit permission from FWS.
7. If selected as the Challenge winner, the Artist's original design will be used as the basis for creating one or more educational installations, and as a result, changes may be made to the Artist's original design at the discretion of FWS.
8. No Member of or Delegate to Congress shall participate in any part of this contract/agreement or receive any benefit from this agreement (41 U.S.C. Section 22).
9. The Artist agrees to provide his/her signature for use on all Crushed Ivory Design Challenge products at no cost to the Federal Government.
10. The information below will be contained in an electronic database maintained by FWS and will not be used by FWS for any other purpose other than to register the Artist or, if needed, to respond to a public information request under the Freedom of Information Act (FOIA).
